

VILLAGE OF NEW PALTZ

Event Application Procedures

The following Event Application procedures enable the Village of New Paltz to effectively manage events held within our community which require Village services.

1. Applications must be submitted 35 days prior to event. The Village Board may alter the advance submission deadline by majority vote of the board for good cause shown.
2. All requests for events taking place within the jurisdictional limits of the Village of New Paltz involving street closures or other public locations must have Village Board approval. **This application must be submitted to the Village Clerk at 25 Plattekill Avenue.** Should Village traffic control/safety equipment be requested for the event a fee may be charged and payment required before the event. Should traffic/safety control personnel be needed, your organization must make arrangements with the Town of New Paltz Police Department
3. By submission of a signed application for an event, the applicant acknowledges that the Village of New Paltz shall be held harmless in the event of injury or accident related to any event where an application has been received and approved by the Village of New Paltz.
4. If an event application requests traffic/safety control personnel, the application will be forwarded to the New Paltz Police Department for a safety review and request for costs associated with performing traffic or safety control. The New Paltz Police Department may alter the conditions of any portion of the event in its sole discretion to insure public safety.
 - A. The Police Department will review the application and make a recommendation to the Village Board. Recommendations are made with respect to:
 1. Type of event and duration;
 2. Number of people/vehicles in the event;
 3. Date and time of the event;
